

# 2011 South Point Triple Winners Circuit

South Point Equestrian Center, Las Vegas, Nevada

February 17-23, 2011

February 1, 2011

Dear Cutters:

***Please be advised that the February show will NOT be happening.*** We were so hoping for PCCHA approval for their year end awards but it did not come through. We have an average of 18 rooms per night. We have 75 stalls and a total of 52 entries the first day. Only two of the open show classes had enough entries to even make a class the first day.

My most sincere thanks to those affiliates who chose to approve us for their year end awards. My gratitude to those who did enter is so deep. Anyone who will be stuck with plane tickets or the cost to change them, please call me personally at 702-496-7900 and I will make it right for you.

I am withholding making a decision on the July and October shows awaiting the outcome of the lawsuit.

I am so sorry,  
Paula Gaughan
