** 2009 sale prices came from WB web site, except for 2 horses that did not reach the \$1000 upset bid. WB marked those horses "Withdrawn." I marked them RNA (not sold) as the consignment contract says if the upset bid of \$1,000 is not reached, the consignor must pay the consignment fee (\$450) and the repurchase fee (\$450), for a total of \$900. These horses , went through the sale; they were not withdrawn.
